**Innovative-e Managing Partner to Speak at  
Free "SharePoint Saturday" Events in Virginia and New York**

*SharePoint users will benefit from free SharePoint Saturday events, featuring sessions led by Innovative-e, Inc. managing partner Dux Raymond Sy.*

**ATLANTA** — SharePoint users will benefit from two upcoming free SharePoint Saturday events, which will take place Jan. 10 at the Advanced Technology Center in Virginia Beach, VA and Feb. 21 at the Microsoft office on the Avenue of the Americas in New York City, NY. SharePoint Saturday events are free and open to the public. Sessions are led by industry experts who are on the leading edge of the latest SharePoint trends and topics. Dux Raymond Sy, managing partner for Innovative-e, Inc. and renowned SharePoint industry expert, will lead sessions on "7 Ways to Leverage SharePoint for Project Management Success" and "5 Ways to Enhance SharePoint Usability."

SharePoint is a web-based collaboration technology that empowers organizations to increase worker productivity, reduce information redundancies and streamline document management practices.

Attendees of the SharePoint Saturday events will include a wide variety of professionals, such as business executives, project managers, technology executives, IT managers, business/reporting analysts, software developers, office managers, administrators and other professionals who are currently utilizing SharePoint or who are considering doing so in the near future.

With nearly 20 years of experience in the IT industry, Dux Raymond Sy is a leading expert on project management and SharePoint solutions. He is a certified project management professional, as well as author of *SharePoint for Project Management: How to Create a Project Management Information System (PMIS) with SharePoint*. Sy is also an instructor and course author for Learning Tree International where he provides in-depth IT training for professionals at leading organizations around the world.
