Global Entrepreneur, Author and Instructor Joins Innovative-e, Inc. as Managing Partner

Dux Raymond Sy brings nearly 20 years of experience in IT, project management and SharePoint solutions to Innovative-e.

ATLANTA— Innovative-e, Inc., is pleased to announce that Dux Raymond Sy, a certified project management professional, author, frequent speaker, instructor/trainer and global entrepreneur, is joining the company as managing partner.

Innovative-e is a U.S.-based business technology consulting and services company that helps clients gain competitive advantage through high-performance strategies. As managing partner for Innovative-e, Sy will be responsible for business development for a global client base ranging from Fortune 500 companies to government agencies to small- and medium-sized enterprises.

“Dux is a perfect fit for our vision of establishing Innovative-e as a thought leader through his continued development, instruction and promotion of creative solutions to some of today’s most compelling business challenges,” said Mike Taylor, president and CEO of Innovative-e.

With nearly 20 years of experience in the IT industry, Sy has earned a reputation as a leading expert on project management and SharePoint solutions. His extensive experience equipped him to pen the book “SharePoint for Project Managers: How to Create a Project Management Information System (PMIS) with SharePoint.”

Prior to joining Innovative-e, Sy founded QuantumX, a technology firm that offers full-scale, strategic information technology consulting, systems integration, Internet architecture design and software development. His client base included companies such as Blue Cross Blue Shield, U.S. Navy, U.S. Army, Social Security Administration, Duke Power, NASA, MBNA, Bank of America, United Nations, U.S. Department of Energy Nuclear Regulatory Commission, U.S. Federal Aviation Administration, Merck Pharmaceuticals, Bahamas Telecommunications Co., Credit Suisse and Merrill Lynch.

In addition to this extensive experience, Sy also serves as an instructor and course author for Learning Tree International, providing in-depth IT training for professionals at leading companies around the world. Fluent in English,

Chinese Mandarin, Filipino, Taiwanese and German, he has taught training courses in the United States, Bahamas, Barbados, Hong Kong, the United Kingdom and the Philippines. His educational background includes bachelor's degrees in telecommunications engineering and electronics engineering from Southern Polytechnic State University (Marietta, Ga.) and De La Salle University (Philippines), respectively.
